

Act Report

In our recent data wrangling project, we've unearthed some fascinating insights into our canine companions, shedding light on their preferences and popularity. Through meticulous data analysis and visualization, we've distilled these insights into three key findings: the "Top 10 Dogs' Favorite Count," the "Top 10 Dogs with Highest Rate," and the "Top 10 Breeds' Favorite Count."

Top 10 Dogs' Favorite Count:

Our data reveals which dogs have garnered the most affection and admiration on social media. We've identified the top 10 dogs that have received the highest number of favorites, showcasing their widespread popularity among dog lovers. This insight is illustrated through a visually compelling bar chart, allowing us to appreciate the dogs that have captured the hearts of the online community.

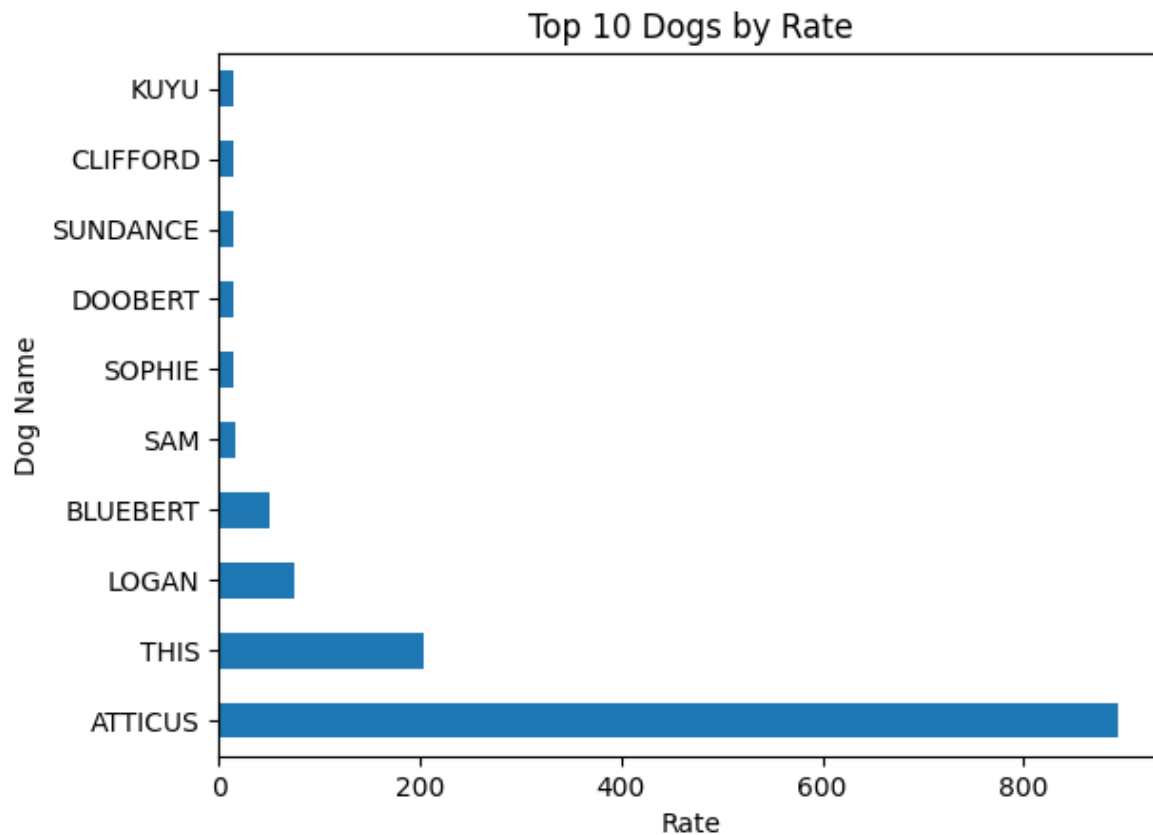

| name | |
|---------|--------|
| BO | 185922 |
| CHARLIE | 115468 |
| ZOEY | 113581 |
| LUCY | 110523 |
| DUDDLES | 107956 |
| QUITE | 107309 |
| STEPHAN | 107015 |
| JAMESY | 106827 |
| PENNY | 102986 |
| STANLEY | 99345 |

Top 10 Dogs with Highest Rate:

Delving deeper, we've also examined the dogs with the highest rate of engagement relative to their total posts or mentions. This insightful metric highlights not only the dogs' popularity but also their ability to consistently engage their audience. We've presented this information through an eye-catching line graph, providing a dynamic view of these top-performing canine influencers.

| name | |
|----------|-------|
| ATTICUS | 893.5 |
| THIS | 204.0 |
| LOGAN | 75.0 |
| BLUEBERT | 50.0 |
| SAM | 17.0 |
| SOPHIE | 15.0 |
| DOOBERT | 14.0 |
| SUNDANCE | 14.0 |
| CLIFFORD | 14.0 |
| KUYU | 14.0 |

Top 10 Breeds' Favorite Count:

To round out our findings, we've investigated the popularity of different dog breeds, focusing on their favorite counts. Our data showcases the top 10 breeds that have received the most love and attention across various social media platforms. A visually stunning pie chart vividly displays the distribution of favorites among these breeds, offering a clear snapshot of which breeds dominate the online dog-loving community.
